Union Member Life Insurance vs. FEGLI

Did you know that changing your FEGLI could save you a full year's salary? Can you afford a FEGLI cost increase of more than 280% from age 65 to 80 after you retire? We have a better option! Family coverage is also available with higher coverage amounts for family members. Guaranteed Issue options available.

✓ PERMANENT COVERAGE

When properly funded, your death benefit will stay level until age 100. Unlike the Government's Term plan, your Union Member Life policy is designed for you to keep forever!

✓ CASH ACCUMULATION

Your policy builds a tax-deferred cash value. Your cash value earns interest and can be used to supplement your retirement, educational funding, or any other purpose you choose. You can take loans from your policy if you need the cash in the event of an emergency, make withdrawals from your policy, or even use your cash value to pay your premiums if you choose to do so. The Government's FEGLI plan has no cash value at all!

Vision

With plans starting as low as \$5 bi-weekly, you have access to one of the largest vision networks in the United States, with more than 35,000 participating optometrists, ophthalmologists, and national retail locations with the same benefits at all participating providers, regardless of location.

Accident

Accident Insurance helps with what your health insurance plan might not cover. Helps pay for out of pocket costs that arise from covered accidents such as fractures, dislocations and lacerations. Coverage is 24/7, on or off the job, and is available for the member, spouse and dependents.

Critical Illness Insurance

Coverage pays a lump sum of \$5,000 to \$30,000 upon diagnosis of a covered critical illness such as Invasive Cancer, Heart Attack, Stroke, Major Organ Transplant, Kidney Failure, Bone Marrow Transplant, Sudden Cardiac Arrest, Coma, Severe Burn, Illnesses Paralysis, Loss of Sight/Speech/Hearing, and others...
